BRIMSTONE PLACE

Little Dunmow, Dunmow CM6 3HR

## Brimstone Place

Just on the edge of the delightful village of Little Dunmow, in the sought-after district of Uttlesford in Essex, Brimstone Place is an exclusive collection of three and four bedroom detached homes with generous secluded gardens that are easily accessed through French doors. Ample parking is provided, with some properties having detached garages. In addition, all homes at Brimstone Place have an impressive A, EPC rating making them not only beautiful but also highly efficient to run.

# An idyllic lifestyle in a tranquil parish

With a mention in the Domesday Book, and a parish church dating back to the 12th century, Little Dunmow is a charming village nestling in the picturesque vale of the River Chelmer.

With only 99 homes at its historic centre, one of the village's most notable features is the tomb of Matilda Fitzwalter, believed to have been the inspiration for the fictional character of Maid Marion from the Robin Hood tales. It is also the original home of an ancient ceremony known as the Dunmow Flitch Trial, whereby a flitch, or side of bacon, was awarded to a married couple who could claim that they had lived in total harmony for a year and a day. These days, the Flitch of Bacon is more likely to refer to the exquisite fine dining restaurant at the heart of the village, although the tradition still continues every leap year in neighbouring Great Dunmow.

Just three miles away, Great Dunmow is a bustling market town in the Uttlesford district, boasting one of the few remaining high streets in the country to host only independent retailers. Rich in character and steeped in history, it combines modern amenities with a delightfully quaint setting, offering everything a 21st century family would require. A popular leisure centre; tennis, cricket and bowling clubs; culture galore at the historic Maltings museum, the annual carnival and the extraordinary Talliston House and Gardens; beautiful gardens, at Easton Lodge; a library, community centres, doctors' surgeries, vets. Restaurants, pubs and cafés abound, while for convenience Tesco superstore is on the edge of town.

The area offers a choice of primary schools: Great Dunmow, St Mary's and (closest to Brimstone Place) Flitch Green primary schools are rated 'good' by Ofsted, while Felsted Primary is 'outstanding'. Felsted Preparatory and Felsted School are two of the most highly-respected independent institutions in the area. Nearby 'good' and 'outstanding' senior schools include the Alec Hunter Academy in Braintree and Forest Hall, Birchwood High, St Mary's, the Hertfordshire and Essex High School and Bishop's Stortford High School in Bishop's Stortford.

Both Braintree and Bishop's Stortford are thriving larger towns, with an excellent range of shops and services and leisure facilities that include a multiplex cinema, 10-pin bowling alley and arts complex. Further afield, Chelmsford's pedestrianised High Street and superb shopping centres are packed full of luxury brands, while Thaxted, Saffron Walden, Cambridge and Colchester are within easy reach.

All this is set within a tapestry of green, open spaces: the Fitch Way, a path that was once an old railway line that ran from Bishop's Stortford to Braintree, is on the doorstep, while the Doctors Pond in Great Dunmow is a great place to relax and feed the ducks. The ancient Hatfield Forest is an ideal spot for walks, cycling and outdoor pursuits, Great Notley Country Park hosts Sky Ropes and a well-stocked fishing lake, while a Sunday afternoon stroll along the nearby River Chelmer is the perfect antidote to a busy week.

# Well Connected

Despite Little Dunmow's rural atmosphere, commuter links are second to none. There is a railway station either side: Braintree to the east, and Bishop's Stortford to the west. The M11 is easily accessible from the A120 trunk road immediately to the south of Great Dunmow. The Stansted Express goes straight into London Liverpool Street.

It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The computer generated imagery, floor plans, configurations and layouts are included for guidance only. The properties may vary in terms of elevational design details, position/size of garage and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development or different times during the progress of any development.
